What is it all about?

Product compliance and sales in the EU market.

What are we going to do?

We will ensure that your products meet the regulatory requirements. We will review your technical file and help obtain the CE marking.

Cooperate with the competent authorities and take actions to eliminate or mitigate any risks posed by a product.

Authorised Representative

Specific tasks:

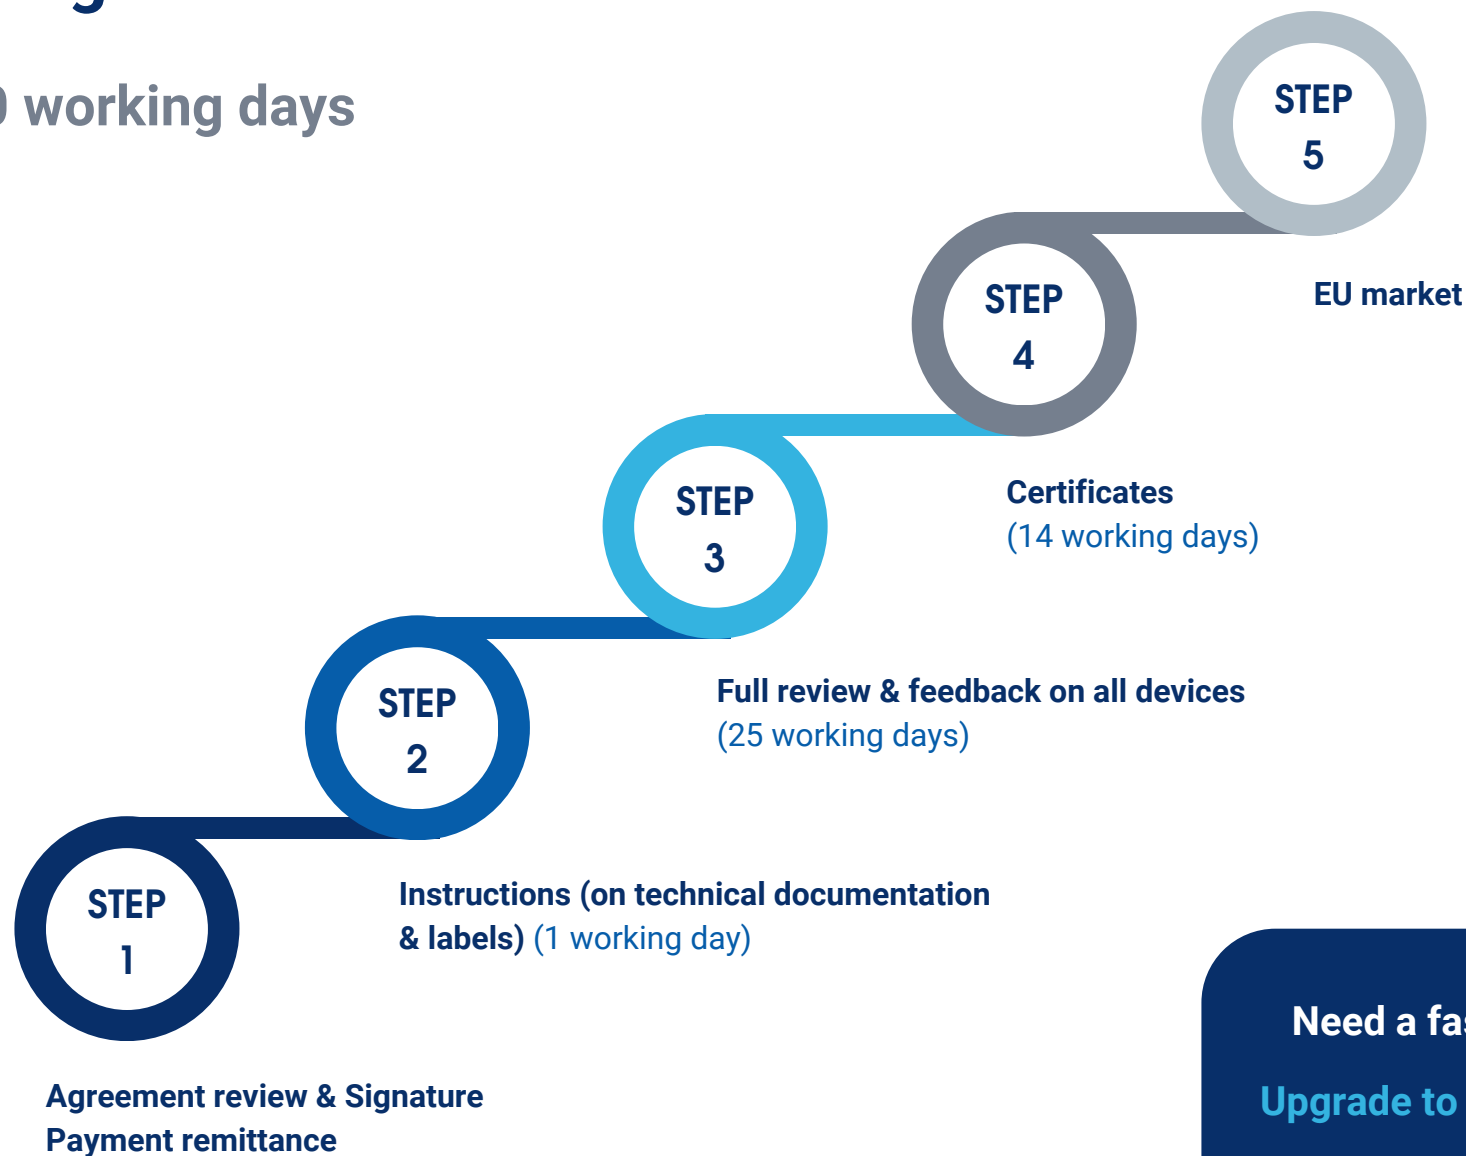

- Keep the DoC and technical documentation for 10 years after a product has been placed on the market.
- Upon request, provide the competent authorities with all the information necessary to demonstrate the compliance of a product.
- Cooperate with the competent authorities, at their request, on any actions taken to eliminate the risks posed by a product.
